"Now to Him, Who is able to do exceedingly abundantly above all that we ask or think...to Him be the glory in the church and by Christ Jesus to all generations forever and ever. Amen"

Ephesians 3:20-21

Precious friends of International Impact,

It has been a while since last I wrote to you. Hopefully you all are rejoicing in the goodness of the Lord in spite of life difficulties. He is always good! He is sovereign and nothing happens without His permission! "All things work together for good for them who love God, to them who are the called according to His purpose". (Romans 8:28)

We at the Mission are praising the Lord for His faithfulness toward our ministry for Him. International Impact is doing well even in these difficult economic times. We thank Him but also a sincere Thank you goes from our hearts to all of you, who so faithfully support us with your prayers and donations. You and we are a team for spreading the Word of God in the country of Bulgaria and together we have provided to the believers there over 600,000 Bibles. Can you imagine that?! In 1993 they did not have any and now 600,000 Christians who prayed for many, many years to have one copy of the Scriptures, are able to open their Bibles and grow deeper in their faith. Ten thousand more Bibles are being printed right now and will be distributed in October. I do not know how you feel, but my heart is filled with gratitude and joy, that you and we are used for this purpose. How wonderful it is to know, that because of the Lord's and your faithfulness, we were able to influence the whole country of Bulgaria for Christ. They became free in 1989 and the next year we started our ministry there. The churches were 227 and now they are over 2,000; the believers who survived the gruesome communists' persecution were about 200,000 and their number is now over 830,000. Wow!!! I stand amazed what God can do with faithful people like you and us here in the office. He could have done it all alone, because He is all sufficient, but He has chosen you and us to bless Bulgaria in the Name of Jesus. Thank you for laboring together with us for furthering the Kingdom of God in that country. You are very special to us!

There is another great reason to rejoice. The Lord opened many new doors and my Fall schedule is full until the end of December. Please look at our web site to know where I am every Sunday and sometimes during the week, and pray that He will grant me His strength and grace for all the travels I will be doing. It is amazing to me that on September 15th I was invited to speak at a pastors' meeting here in Texas, where 100 ministers of the Gospel will be present. It makes me very humble when I think about it because I have a great respect for all pastors. We are praying that many of them will extend an invitation for a visit to their churches for 2010 schedule and will get their people involved in our Mission work in Bulgaria. Pray with us for other opportunities.

All of you, who have heard me speak in your churches or Ladies' events, know of my sincere love for our country. I am very saddened when I observe what is happening with our beloved America. We need desperately a revival to sweep across the land --from East to West and from North to South, so people will turn their eyes toward the Lord and worship Him, the King of Kings and the Lord of Lords. It could happen if we, the believers in Christ, repent from our apathy and start praying like never before, as Daniel in the old Testament prayed for His nation and the Lord blessed it abundantly. We can do it, brothers and sisters in Christ! Remember 2nd Chronicles 7:14: "If my people, which are called by My name, shall humble themselves and pray, and seek My face, and turn from their wicked ways; then I will hear from heaven, and will forgive their sin, and will heal their land".

May you and yours be richly blessed and may the name of our Lord be glorified in all the earth!
