To Whom It May Concern:

It is my privilege to write this letter of recommendation for Dr. Margaret Nikol. She is a much beloved missionary in our church both from Bulgaria and to Bulgaria. Her story of how she escaped from behind the Iron Curtain after playing her violin for the Communists in East Germany (Dresden Philharmonic Orchestra) will touch every listener in your congregation.

She has been a member in good standing in our church for many years. I have personally traveled with her and two other pastors to minister to the evangelical pastors in Bulgaria. They regard her with reverence and love for her courage in returning for ministry to a country where both her father and brother were martyred for their faith and for being pastors in a Soviet State.

Her mission to place a Bible into the hands of every professing Christian in Bulgaria is about half complete. I urge you to help her reach her goal. If you are looking for an outside speaker to impact your congregation and to touch them with a bold message of faith in Christ, then please take my recommendation of Dr. Nikol to heart.

Serving together,

David R. Anderson, Ph.D.
